

Alliance of Central Asian Mountain Communities

AGOCA

Kyrgyzstan, Kazakhstan, Tajikistan

The alliance of Central Asian Mountain Communities

For the sustainable development of Mountain communities

- Non-governmental, non-profitable organization working on national and regional level 10 years

The uniqueness:

- Our members are 44 mountain communities of Kyrgyzstan, Kazakhstan, Tajikistan

Our main missions are:

Promotion of mountain communities' interests through:

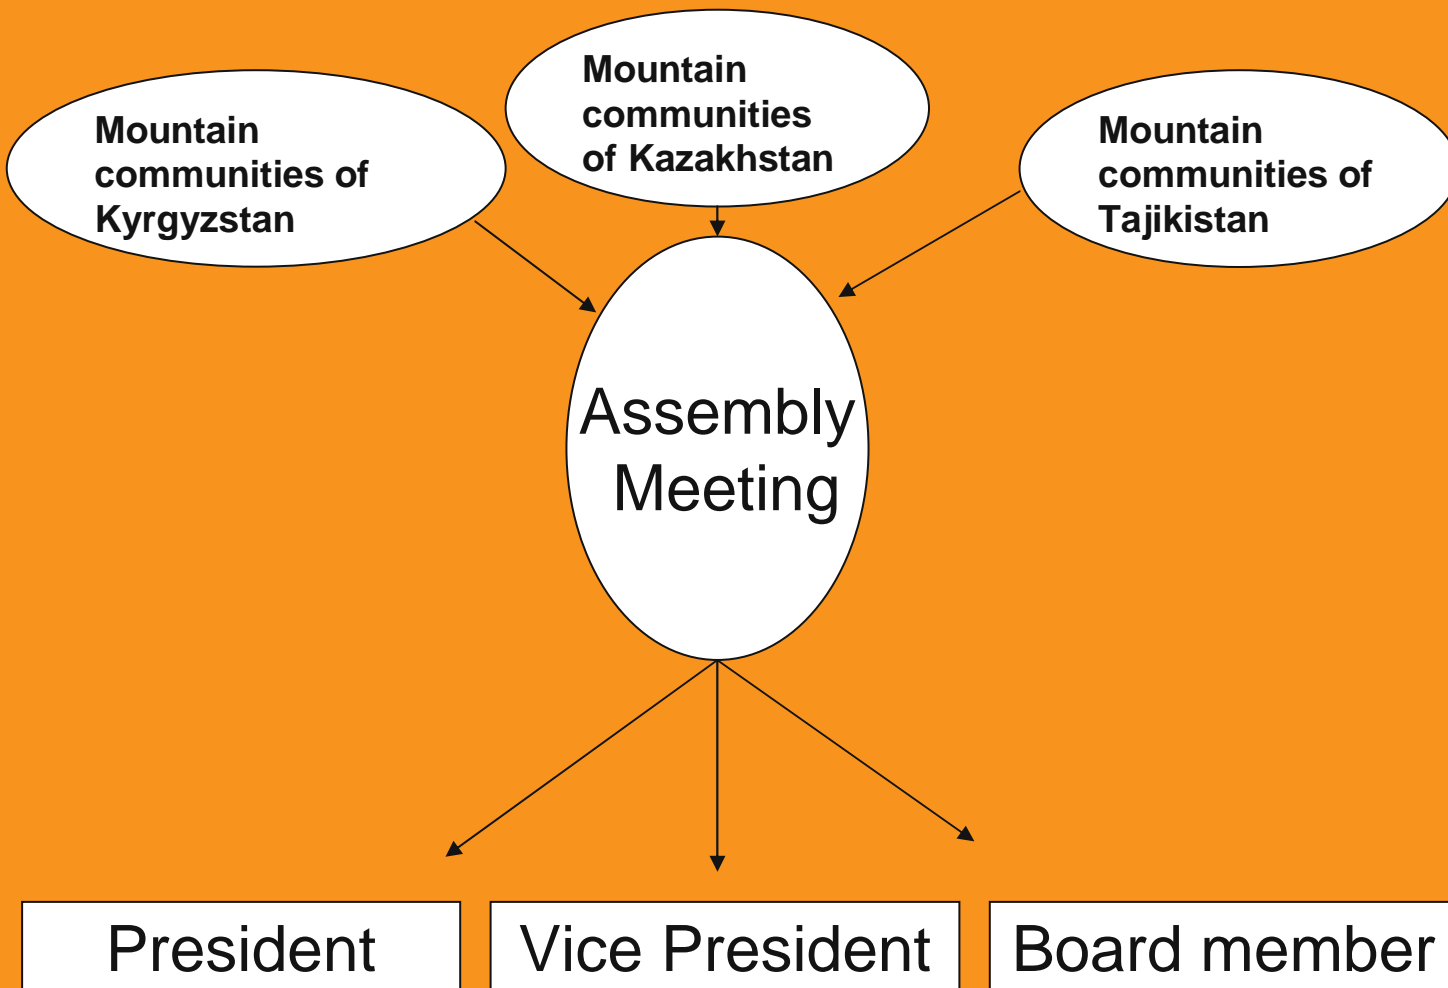

- Attracting government attention to mountain development issues during the annual regional conferences
- Implementing projects in mountain communities in collaboration with local authorities
- Mobilizing the population for different activities for sustainable development at local level

Experience exchange:

- Visits between members

Structure of AGOCA

Sub-national cooperation

AGOCA is a member of supervisory board in local organizations:

- Agency of development and investment of communities (ARIS)
